Directions: Choose the best action for each health situation.

1. You have a fever and feel dizzy before school.

- ☐ Tell an adult and stay home for help.
- ☐ Hide it and go anyway.
- ☐ Skip water and medicine.

2. You have a small snuffle but feel okay and have tissues.

- ☐ Follow family or school rules and check in if needed.
- ☐ Pretend to faint.
- ☐ Throw away your schedule and leave.

3. You throw up during class.

- ☐ Tell staff right away and ask for help.
- ☐ Stay silent and sit in it.
- ☐ Run outside alone.

4. Your throat hurts and it is hard to talk.

- ☐ Use self-advocacy and tell an adult or nurse.
- ☐ Drink cleaner from under the sink.
- ☐ Say nothing all day.
