Crosswalk Signal Choices

Answer Guide: Choose the safest action for each street-crossing situation.

1. The signal shows WALK and cars are stopped.

☒ **Cross in the crosswalk and keep watching traffic.**

☐ Run into the street without looking.

☐ Stand in the middle of the road.

2. The signal is flashing and time is almost up.

☐ Start crossing slowly anyway.

☒ **Wait for the next WALK signal.**

☐ Close your eyes and hurry.

3. A car is turning even though the WALK signal is on.

☒ **Make sure the driver stops before crossing.**

☐ Step in front of the car immediately.

☐ Cross while looking at your phone.

4. There is no crosswalk nearby.

☐ Cross between parked cars.

☒ **Look for a safer crossing place or adult help.**

☐ Race across anywhere.
